PROFILE

I am a highly motivated and Civil Engineer with 2 years of experience in planning, designing, and managing infrastructure projects. Skilled in project management, construction management, and team leadership. I am proficient in CAD software, GIS, and project scheduling tools and have proven ability to deliver projects on time, within budget, and to the required quality standards with a strong commitment to ensuring public safety and environmental sustainability.

I am currently seeking partnership opportunities to collaborate on innovative infrastructure projects that aligns with my skills and expertise. I am confident that my experience, skills, and passion for delivering high-quality projects will make me a valuable asset to the team.

PROFESSIONAL EXPERIENCE

SURVEY TECHNICIAN (IT Intern)

Julius James Concept | Ozoro, Delta State, Nigeria | 06/2021 to 12/2021

Task/Achievement

- Involved in setting up and operating survey equipment, such as GPS devices, total stations, and levels.
- Recorded and processed survey data using specialized software.
- Assisted in the preparation of construction layouts and staking also conducted environmental monitoring and assessment surveys.
- Collaborated with other professionals, such as engineers and architects, to integrate survey data into project designs.

URBAN PLANNER AND DESIGNER

Labor Party Grass-root PAC | Asaba, Delta State, Nigeria | 12/2022 to 02/2023

Task/Achievement

- Conducted research and analysis to understand the needs and characteristics of communities and it's physical environment then developed plans and policies for land use, transportation, housing, public spaces, and other urban systems.
- Created designs, 2D & 3D models and visual representations of urban spaces, such as streetscapes, parks, buildings etc using Blender, Canva, Adobe etc.
- Created visualizations and graphics to communicate planning and design concepts to diverse audiences utilizing Illustrator, SketchUp, Bender, Enscape and D5 Render.

CHAIRMAN AND CIVIL ARCHITECT

Nazaprime Realty Ltd | Issele-Azagba, Delta State, Nigeria | 08/2023 to Present

Task/Achievement

- I am at the helm of shaping the company's vision and driving its strategic direction. My role involves making key decisions, fostering innovation, and establishing partnerships that elevate Nazaprime Realty's presence in the market.
- Conducting site analyses and feasibility studies to determine project viability.
- Developing detailed drawings and blueprints for construction projects.
- Managing and leading teams of architects, engineers, and technicians, also preparing and presenting project reports, proposals, and presentations to clients and stakeholders.
